State of X.Org Foundation

Daniel Vetter
Big Thanks for XDC to Collabora

Applause!
Big Thanks for XDC to Collabora

Moar applause!
Big Thanks for XDC to Collabora

Thundering applause!
XDC sponsors

- tuned sponsoring plan
- 11 sponsors this year!
- 16+k$ travel grants
- big thanks to Eric for all the invoicing!
XDC talks/papers committee

- 42 talks, compared to 35 last year
- indico as platform, hosted by LWN
- workshops … maybe earlier?
- feedback welcome board@foundation.x.org
- big thanks to Samuel!
XDC21+

- RFP process:  
  https://www.x.org/wiki/Events/RFP/

- sponsors very welcome  
  https://www.x.org/wiki/Events/SponsorshipLevels/
GSoC/EVOC/Outreachy

• 3 students, 2 successful
• 1 EvOC
• 2 successful Outreach interns on dri-devel under the Linux Kernel umbrella
• interns need to magically know how to contribute :
• help very much welcome
fd.o merger

• merger approved by members+SPI
• enacted some policies for governance:
  https://www.x.org/wiki/XorgFoundation/Policies/Hosting/
• code of conduct training, interest?
fd.o CoC transparency report

• 2 reports, 1 still pending, 1 suspension
• no overruling of maintainers/project owners/list admins/...
state of fd.o

- bugzilla almost sunset
- gitlab.fd.o is a great success
- but: needs lots of clouds, runners, admins
- seriously underpowered, need people
Foundation: Officers

- new secretary: Lyude!
- confirmed treasurer: Eric
- huge thanks to Bryce as previous secretary
- SPI now with part-time paid assistant
XDC20

- Gdansk, Poland
- organized by Intel and local university
Foundation

- please become a member
- everyone here qualifies
- https://members.x.org/
